## Coolangatta Beach set the scene for the 2021 Clontarf Beach Rugby 5's

A side of Year 7 and 8 boys suited up for what was a very different sporting carnival on Wednesday 18<sup>th</sup> June.

The first game of the day was against the Warwick Academy in which was a good hit out and allowed the lads to get a feel for the game and rules. The boys continued to play well throughout the day and pushed through to the semi-finals where they were eventually beaten by the Palm Beach Currumbin Academy in a very tight game.

The Hornets left holding their heads high and Oliver (Rusty) Russel had his even higher as he took out the award for Clontarf Spirit for his efforts at the carnival.
