

# Table Tennis Carnival

## A Day Of Sportsmanship, Spirit And Fun

The excitement kicked off as our boys left school and made their way to Stockton Surf Club, where they got straight into action unpacking and setting up their swags for the night. This hands-on start set the tone for a big couple of days ahead.

Later that afternoon, the group headed to Bunnings, one of our amazing partners, for a community BBQ. The boys rolled up their sleeves, helping to cook and run a few fun activities. It was a great chance to engage with the community, and we're extremely grateful to Bunnings for their continued support.

The following day brought the much-anticipated Table Tennis Carnival, where Clontarf academies from across the Hunter region came together to compete. The atmosphere was electric, full of Clontarf spirit, laughter, and healthy competition.

A special shout-out goes to Kurri Kurri High, who took home the win in the Guns and Funs competitions. However, beyond the results, what stood out most was the incredible sportsmanship on display. Everyone cheered each other on, supported their mates, and truly got around one another throughout the day.

We were also thrilled to see such a strong turnout from our partners, many of whom jumped in for a few games and brought extra energy to the event.

Overall, the Table Tennis Carnival was a huge success - a great blend of fun, competition, and community connection. We can't wait to do it all again next year!
