

# Hornets Fly In To Make Dad's Day

## Building More Than Just Toolboxes - A Special Partnership with Bunnings Heatherbrae

Over the past fortnight, the Irrawang Hornets have been busy strengthening community ties through an exciting hands-on activity with our local Clontarf partner, Bunnings Heatherbrae.

Thanks to the wonderful Bev and the Bunnings team, our young men took part in a fantastic DIY workshop where they built toolboxes from scratch. With guidance, teamwork, and a few laughs along the way, each participant proudly created something they can take home.

These toolboxes aren't just practical; they carry meaning. With Father's Day just around the corner, the boys now have the opportunity to either keep their toolbox for personal use or gift it to a father figure in their life.

A huge thank you to Bunnings Heatherbrae for their ongoing support and to Bev for her energy and care in making this experience special for our boys.
