Uniform instructions to be provided by teacher

VET Construction

1 x Display folder

VET Primary Industries

1 x Display folder

The A4 multi subject books are not suitable in any year as they do not allow for students to hand in their work easily for feedback. If students want to carry all subjects together then an A4 ring binder (for books that already have the holes) or zip binder that the separate books can be removed from for marking, is preferable.

Parents are advised to avoid the A4 note/lecture books that have perforated paper edges where the pages are designed to be ripped out please.
