Hornets Host International Women's Day Breakfast

Giving Back to those that give the most to us

This past Monday, the Irrawang Clontarf Academy hosted its annual International Women's Day Breakfast. The event, which has become a cherished tradition, invited boys to bring along their special female companions for a morning of connection and appreciation. Clontarf staff catered the breakfast, creating a warm and welcoming environment for all.

In attendance were the mothers and families of the boys, along with Irrawang High School's female staff members. The celebration was further supported by local Clontarf partners, including Bunnings and Big W, who helped make the event a success.

The breakfast provided a wonderful opportunity for everyone to come together and honour the significant women in the boys' lives. It was a meaningful occasion to express thanks and gratitude to these women who work tirelessly to provide the best opportunities for the boys, day in and day out.

The Irrawang Clontarf Academy continues to play a vital role in strengthening community ties and fostering positive relationships. This event served as a heartfelt reminder of the important contributions of women in the lives of the students.
