

IRRAWANG HIGH SCHOOL

EXCURSION CODE OF BEHAVIOUR AND COOPERATION

Student Behaviour

The following rules apply to all students on school excursions. These rules are aligned with the usual PBL expectations of Irrawang High School. They are also essential for the successful operation of the excursion as they facilitate cooperation amongst all participants. Such cooperation maximises the opportunities and enjoyment of all students.

Parents and students should read this code carefully

1. Students are required to cooperate with all directions given by the teachers coordinating this program. Assistance to both teachers and other students is valued at all times. Accepting your individual responsibility to cooperate and assist will ensure the maximum enjoyment for the whole group.
2. Safety is paramount. You must stay with your group at all times; participate only in activities organised as part of the excursion.
3. Behave in a manner that brings credit to yourself, your school and the people who support you such as friends, parents and teachers. Remember respect, responsibility and personal best!

Please Note: In a most serious breach of the above code and where teachers judge they are no longer able to ensure adequate care for a student, the student's parents will be contacted and required to arrange for transport for the student's immediate return home. Any additional costs incurred will be at the student's/parent's expense.

The student is required to sign in the space below to indicate that he/she has read the behaviour and cooperation code and agrees to abide by it. One parent is also required to sign to indicate that they are aware of the behaviour expected of their child whilst on the excursion.
